

Condenser microphone with Plug & Play connector for smartphones and computers

Air Live Pro is a professional condenser microphone that captures all the sounds of its surroundings and reproduces the sound in a more natural and nuanced way. Most commonly used for vocal recording, in all studio environments from home studio to professional.

- ▶ **Condenser Microphone** - highly sensitive condenser capsule that captures sound with great precision and clarity. It delivers outstanding sound reproduction for everything from vocal recordings to podcasts and voiceovers.
- ▶ **Perfect for voice recording**
- ▶ **Foldable Stand**
- ▶ **Plug & Play 3.5 mm**
- ▶ **Shock Mount** - To minimize unwanted vibrations and disruptive noises
- ▶ **POP-Filter** - Dual-layer nylon pop-filter helps reduce unwanted popping sounds.
